

Commenting on LPFM and its impact on K-LOVE (105.5, 89.9 & 100.9 FM).
K-LOVE is, in my opinion, the best medium of news and entertainment when compared to other radio and television.

If K-LOVE were to be displaced by LPFM, the local community would be missing great local updates and happenings not found in other media. In addition, K-LOVE would be missed as an entertainment medium. K-LOVE provides a great service to our community, through positive and encouraging messages, by encouraging listeners to do the right thing and make choices that positively impact those around you.
